

### Enrollment

Setting up a direct deposit for reimbursements can be easier than waiting for a check by mail. There are three ways to enroll in direct deposit\*.

1. Complete and return the Authorization Agreement for Direct Deposit form on the next page.
2. Call Nova's customer service team at 1-877-268-3799, Monday through Friday, 8 a.m. to 6 p.m. and they will walk through the information with you to get you started.
3. Log into your [secure portal](#) on your desktop or using the [NovaFlex App](#) to complete the information required to enroll.
  - a. To get started, click on your name and select Banking/Cards
  - b. Complete the banking information
  - c. Call 1-877-268-3799 or send an email to [flex@novahealthcare.com](mailto:flex@novahealthcare.com) to let us know you have completed the direct deposit information in your profile. This step is necessary as Nova is not notified when account holders make updates in the portal.

*\*Most, but not all, plans offer an option for direct deposit reimbursement. Please contact Nova's customer service team to confirm that your specific plan includes this option if you have questions.*

### Direct Deposit Set-Up

No matter which method you choose to enroll, once you complete the steps outlined above, Nova will initiate a "micro-deposit." Nova will make a small (micro) deposit of less than \$1 into your account. This micro-deposit will be visible to you in the account you selected for direct deposit within 1-3 business days.

### Complete the Activation

- To complete the activation, log into your [secure portal](#). You will see a Task alert.
- Enter the amount deposited into your account. When the amount you enter matches the amount Nova has deposited, that confirms the setup is correct.
- The final confirmation of the micro-deposit must occur within 10 days of the deposit. If you enter the wrong amount or do not confirm the amount deposited in a timely manner you will see an error message for a failed bank account activation. If you get this error message, you will need to call or email Nova so we may initiate another deposit for validation.
