Independent Health's New York State and Pennsylvania Regional Physician Listing

This provider listing includes the names and locations of all participating Independent Health providers within 11 counties of New York State (Cayuga, Chemung, Livingston, Monroe, Ontario, Schuyler, Seneca, Steuben, Tompkins, Wayne and Yates) and 4 counties in Pennsylvania (Erie, McKean, Potter and Warren). Please keep in mind some network providers may have been added or removed after this list was made; additionally some providers may still be in the credentialing process.

Provider Directory Disclaimer: Some of the information contained in the listings in this directory was obtained from the health care professionals themselves. However, Independent Health will use reasonable efforts to validate the accuracy of such information and to update the information. Since information about a health care professional may change - including his or her participation in a network - we recommend that you verify with the professional his or her address and participation in the network.
